PARKING PERMIT

Resident Parking Permit Program

In response to citizen concerns and complaints, the City of Taylorsville has established resident only parking zones in certain areas throughout the City (Chapter 11.22 Taylorsville Code of Ordinances). The resident only parking zones are typically located in residential areas that are adjacent to high volume parking demands such as the Salt Lake Community College. To prevent an unreasonable burden on these neighborhoods, the City allows on-street parking by permit only. These areas are clearly designated by signage that states "Parking by Permit Only".

Please note that the City will issue only one permit per licensed vehicle within the parking permit area.

The Parking Permit Application Process:

- ☐ Complete and submit a *Parking Permit Program* application form available from the Community Development Department or the main reception desk at Taylorsville City Hall. You will be required to show proof of residence in the resident only parking zone (i.e. a valid driver's license).
- ☐ Submit required fee(s).
- ☐ Once you have been approved (typically less than 48 hours) you may pick up your permit(s) from the Community Development Department front counter
- ☐ Resident permits are valid for a period of five years. Permits are **not transferable** but may be renewed every five years upon reapplication.

Guest Passes:

The Community Development Department is authorized to issue guest permits for bona fide visitors, service persons, and construction personnel for a duration not to exceed 45 days.

Fees:

To help defray administrative costs, the City has established the following fees for the parking permit program:

- ☐ First two permits for the same address: \$5.00
- ☐ Visitor passes: \$5.00
- ☐ Replacement for lost permit: \$5.00

Permit Display:

Your *resident or visitor permit* will be in the form of a hanging parking permit tag that can be hung from your rear view mirror. The permit must be hung from the rearview mirror on the front windshield at all times when the vehicle is parked on-street in the resident only parking zone.

Penalties:

Any person who is found to be in violation of any terms of the parking permit program is subject to a fine of up to \$100.00. Counterfeiting or copying a parking permit or false representation as a person eligible for a regular permit shall constitute a Class B misdemeanor.

Questions regarding the Program:

For any questions relating to the Parking Permit Program, please call 963-5400.
